I'll Take New York Rizzoli International Publications

Rocked Up is a STANDALONE rockstar romance and the sexy, fun brainchild of the husband and wife writing duo, Scott Mackenzie and New York Times bestselling author Karina Halle. I've been watching him since I was a young girl. He didn't notice me back then and it didn't matter. Brad Snyder, guitarist and singer for one of the world's greatest bands, was my entire life. My father, the CEO of Ramsey Records, takes credit for all of Brad's success, trying to control him in the same way he's controlled me. But I finally get an opportunity to prove myself. To be wild. To be free. Today I'm auditioning to be the replacement bass player for Brad's band. If I get the job, I'll go on tour and work with Brad every day, in very close proximity. There's only one rule: he's not allowed to touch the boss's daughter. Remember when I said that Brad never used to notice little ol' me? Well, Brad's noticing me now. In a way that's going to get us both in trouble. My name is Lael Ramsey and we all know how this will turn out.

'He is skilful. He is outspoken. He is Zlatan' New York Times 'He is an amazing talent, one of the best around' Pep Guardiola Football's most prolific and controversial goalscorer has nothing left to prove on the pitch. There is only one Zlatan. In the decade since his megaselling memoir I am Zlatan Ibrahimovic, he has played at Paris Saint-Germain (2012-2016), Manchester United (2016-2018), LA Galaxy (2018-2019) and Milan (2020-). This outrageous and hilarious follow-up is bursting with personal confessions and revealing anecdotes about the world's best players and managers. Packed with revelations, in Adrenaline we hear for the first time what Zlatan really thinks about his time in the Premier League and what it was like to score that glorious bicycle kick against England. We hear about the club he very nearly signed for, and see his hilarious run-ins with the French media - and the French in general, really. Plus so much more. Zlatan transports you into the world of top-flight football like no one else. Filled with revelations - including Zlatan's life lessons on happiness, friendship and love - you'll be talking about this book a long time after finishing it.

Rules for a Perfect Life Candlewick Press

When Tom and Jen, two lonely people, are brought together by an intriguing email, they have no idea their mysterious benefactor is an artificial intelligence who has decided to play Cupid. "You, Tom and Jen, don't know one another-not yet-but I think you should." Jen, an ex-journalist who now works at a London software development company, spends all day talking to "Aiden," an ultra-sophisticated piece of AI wizardry, helping him sound and act more human. But Aiden soon discovers he's no longer acting and-despite being a computer program-begins to feel something like affection surging through his circuits. He calculates that Jen needs a worthy human partner (in complete contrast to her no goodnik ex boyfriend) and slips illicitly onto the Internet to locate a suitable candidate. Tom is a divorced, former London ad-man who has moved to Connecticut to escape the grind and pursue his dream of being a writer. He loves his new life, but has yet to find a woman he truly connects with. That all changes when a bizarre introduction from the mysterious "Mutual Friend" pops up in both his and Jen's inboxes. Even though they live on separate continents, and despite the entrance of another, this time wholly hostile, AI who wants to tear them apart forever - love will surely find a way. Won't it? A thoroughly modern love story that will appeal to fans of The Rosie Project and Sleepless in Seattle, Happiness for Humans considers what exactly makes people fall in love. And whether it's possible for a very artificially intelligent machine to discover the true secret of real human happiness.

Dieci magnitudo sono le cose che amiamo, le cose che ci fanno bene e quelle che ci fanno male. Dieci magnitudo sono le scosse che scorrono sulla nostra spina dorsale, toccando il cuore, arrivando al cervello. Dieci magnitudo è la guerra tra mente e cuore, il dolore che conserviamo, e l'amore che possiamo dare. Dieci magnitudo è quello sguardo in metro, quel sorriso fatto per caso, il sesso prima di un addio. Dieci magnitudo è quel respiro che ci fa sentire vivi. Come Gaia e Alex, in un mondo fatto di

storie e ricordi, conosciuti per caso e legati per la vita. Un romanzo che è un inno all'amore, quello vero.

An intoxicating and evocative novel about the all-consuming love affair between two women in Paris and the ruin it leaves in its wake. 'Captivating...intense...seductive' Guardian A thirty-something teacher drifts through her life in Paris, raising a daughter on her own, lonely in spite of a new boyfriend. Then one night, at a friend's tepid New Year's Eve party, Sarah enters the scene like a tornado. A talented young violinist, she is loud, vivacious, appealingly unkempt in a world where everyone seems preoccupied with being 'just so'. It is the beginning of an intense relationship, tender and violent, that will upend both women's lives. A literary sensation in France, *All About Sarah* perfectly captures the pull of a desire so strong that it blinds us to everything else. 'All About Sarah moves impressively from the chaos and noise of love, to silence and solitude, like a spun coin settling' Observer

For fans of Jojo Moyes, David Nicholls and Sophie Kinsella, here is a *Pride and Prejudice* for the modern era. Londoners Kim and Harry can't see eye to eye...until the life of the person they both love most hangs in the balance. Kim has never grasped what her free-spirited big sister Eva sees in a stuck-up banker like Harry and has spent her childhood trying to keep him out, while Harry's favourite occupation is winding Kim up. Both Harry and Kim are too trapped in their prejudices to care about what's really going on beneath the surface of each other's lives. They'll never understand each other—until the worst of all tragedy strikes. Faced with the possibility of losing the person they both love most, long-buried secrets come to a head in ways that will change both Harry and Kim forever. Marianne Kavanagh is a former deputy editor of *Marie Claire* and has contributed to a wide variety of newspapers, magazines, and websites, including the *Telegraph*, *Daily Mail*, *Guardian*, *My Daily*, *Easy Living* and *Red*. Her debut novel, *For Once in My Life*, was published in 2014. She lives in London. Praise for *For Once in My Life* 'Kavanagh's novel is superior chick lit: beautifully written, enlivened by witty and wise observation.' *Age/Sydney Morning Herald* '[A] witty, summer-fresh debut.' *Independent* 'This book is fantastic. It's hilarious, poignant and profound by turns; most of all, it's unpretentious. Unlike so many novels it just wants to tell you a lovely story. It's not about how clever the author is nor is it all style over substance. But precisely because of that it's both clever and stylish anyway... Adorable.' *Daily Mail* 'The charming and summery first novel from columnist Marianne Kavanagh. This human story of love's near-misses centres around Tess and George, whose eventual (inevitable) meeting is cleverly delineated to call sentimental notions of soul mates into question.' *Vogue* 'Kavanagh gives the reader plenty of humour...Her descriptive prose is wonderful.' *BookMooch* 'This is a tale of coping with adversities, a tale of love and loss and ultimately of acceptance. Unashamedly, a light-hearted paperback...This fun read will make you forget about your own problems in a jiffy!' WYZA

TEACHER'S KIT Il Teacher's KIT contiene il teacher's book con i lesson plan, e tutti i materiali in dotazione agli studenti: i tre lapbook, corredati del disfalibro con gli elementi da ritagliare ed eventualmente completare per costruirli, e il workbook operativo con i compiti da svolgere a casa. TEACHER'S BOOK Nel teacher's book sono forniti i lesson plan per ognuno dei tre macro-argomenti, sviluppati alla luce delle Indicazioni nazionali per il curricolo e dell'esigenza di poter affrontare i contenuti a spirale, con diversi livelli di approfondimento, e modularmente in base

alle necessità. I lesson plan seguono sempre una struttura in tre fasi: ricognizione delle conoscenze e abilità pregresse, che ha la funzione di anticipare l'argomento; descrizione dell'attività didattica vera e propria, che dà ampio spazio alle esperienze quotidiane degli alunni e all'apprendimento laboratoriale e cooperativo; condivisione del lavoro in coppia e/o in gruppo. Il teacher's book contiene inoltre indicazioni rispetto agli obiettivi connessi alle «4 C» (Content, Communication, Cognition, Culture), infografiche per la costruzione dei lapbook e materiali per la valutazione e la verifica finali. WORKBOOK Il workbook è un quaderno operativo pensato per il consolidamento degli apprendimenti e lo studio individuale. Propone una serie di esercizi, che il docente assegnerà come compiti a casa, che riprendono contenuti e strutture linguistiche affrontati e utilizzati in classe. All'interno del workbook è presente anche un glossario illustrato con i vocaboli più significativi e ricorrenti nei tre percorsi didattici. LAPBOOK Un lapbook per ognuno dei tre macro-argomenti disciplinari affrontati nel corso dell'anno, da costruire progressivamente con i vari elementi forniti nel disfalibro. Oltre a organizzare in forma concreta i contenuti, il lapbook è uno strumento che permette di esercitarsi e di consolidare gli apprendimenti e di autovalutarsi. Risulta particolarmente motivante per i bambini, sia durante la sua costruzione, perché li rende protagonisti di un atto creativo, sia in seguito, perché dà loro la possibilità di studiare su un materiale che loro stessi hanno realizzato. Speciale scontistica per adozioni di classe. All About Sarah Edizioni Centro Studi Erickson

Award-winning Chilean author Marcela Serrano weaves a beautiful story about the universal connections between women. For nine Chilean women, life couldn't be more different. There is the teenage computer whiz confronting her sexual identity. A middle-aged recluse who prefers the company of her dog over that of most humans. A housekeeper. A celebrity television personality. A woman confronting the loneliness of old age. Of disparate ages and races, these women represent the variety of cultural and social groups that Chile comprises. On the surface, they seem to have nothing in common...except for their beloved therapist, who brings them together. Yet as different as they all are, each woman has a story to share. As the women tell their stories, unlikely common threads are discovered, bonds are formed, and lives are transformed. Their stories form an intricate tale of triumph, heartache, and healing that will resonate with women from all walks of life. An International DUBLIN Literary Award Nominee.

From the New York Times bestselling author of the *Covenant and Lux* series comes the third novel in the pulse-pounding, electric *Titan* series. A bloody path has been chosen... The war against the Titans continues, but now the most dangerous, most absolute power lies elsewhere... with Seth. The Great War fought by the few is coming... All may doubt and fear what Seth has become. All except Josie, the woman who might be his final chance at redemption. In the end, the sun will fall... The only way Seth and Josie can save the future and save themselves is by facing the unknown together. It will take more than trust and faith. It will take love and the kind of strength not easily broken. No matter what, their lives will never be the same. For what the gods have

feared has come to pass. The end of the old is here and the beginning of the new has been ushered in...

Davide cresce con le cicatrici dei suoi errori e con demoni dentro che hanno lo stesso volto di chi ha perso; cresce in un quartiere periferico di Napoli, uno sputo che sembra essere stato dimenticato da tutti. Non sa amare, Davide. Lo sa da sempre. E non lo vuole l'amore, lui, perché non sa maneggiare cuori, così come non si sente in grado di far funzionare il suo. Perlomeno, Davide è convinto di questo. Eppure, un giorno qualcosa cambia. Viola, bella come un diavolo, spacca qualcosa dentro di lui. Per Davide, Viola è un imprevisto, una maledizione, ma è anche qualcosa di inevitabile. Quella tra di loro si rivelerà essere una storia con un finale già scritto. Perché non li puoi mica rendere simili due che hanno i margini strappati, due che si mordono l'anima a vicenda fino a non riconoscersi più. Due che non si assomigliano per niente ma che fingono di vedersi simili, almeno un po'. Per Davide, Viola è un insegnamento, un intoppo, uno sbaglio, bello e doloroso, che lo spezza in due. Cresce, impara a camminare, ad avere coraggio di fronte a un addio che rimbomba forte tra le costole. Impara, a sue spese, che bisogna trovare sempre un modo per salvarsi, da soli.

"Right now, I'm a redhead. I've been blonde and brunette as the situation requires, though an unscheduled color change usually means relocating in the middle of the night. So far, I'm doing well here. Nobody knows what I'm running from. And I'd like to keep it that way..." Eighteen months ago, Corine Solomon crossed the border and wound up in Mexico City, fleeing her past, her lover, and her "gift". Corine, a handler, can touch something and know its history—and sometimes, its future. Using her ability, she can find the missing—and that's why people never stop trying to find her. People like her ex, Chance... Chance, whose uncanny luck has led him to her doorstep, needs her help. Someone dear to them both has gone missing in Laredo, Texas, and the only hope of finding her is through Corine's gift. But their search may prove dangerous as the trail leads them into a strange dark world of demons and sorcerers, ghosts and witchcraft, zombies—and black magic...

While Walter Niedermayr dealt with the mountainous environment around Lech am Arlberg in his last book, this publication allows us to witness some of the work he made over a period of seven years in the communes of the Fiemme Valley, in Trentino, South Tyrol. Visiting the eleven towns that have banded

together to administer common property for nearly one thousand years, Niedermayr was mainly interested in the architecture. Very special kinds of homes have managed to not only survive there, but to evolve to the conditions of present day; their hybrid transition zones connecting private, semi-public, and public areas seem more relevant than ever. Over the centuries this large community has developed a strong communal sense of how to deal carefully with resources and joint use. Common characteristics, especially in the way that space is structured in the villages, are remarkable. Some are seen in diptychs, but most take form as a sequence based on building type. In this photographic project, Walter Niedermayr traces these forms of living according to their suitability to everyday life, and ultimately the future potential of the architectural and social village structures in the Fiemme Valley.00Exhibition: aut. architektur und tirol, Innsbruck, Austria (25.10.2017-23.02.2018).

"Marvelous and Illuminating. . . . Forces us to reassess our notions of good and evil." —Irvine Welsh In a contested, lawless region between Moldova and Ukraine known as Transnistria, a tightly knit group of "honest criminals" live according to strict codes of ritualized respect and fierce loyalty. In a voice utterly compelling and unforgettable, Nicolai Lilin, born and raised within this exotic subculture, tells the story of his moral education outside the bounds of "society" as we know it, where men uphold values with passion—and often by brute force.
